Re: EarlyON Closure

To All EarlyON Families

In response to the impact of COVID-19, the recent announcement from the Premier of Ontario, and based on advice from Ontario's Chief Medical Officer of Health to implement social distancing where possible, the County of Lambton EarlyON Child and Family Centers will be closed effective March 14th to April 5th.

We remain committed to the health and well-being of our families, staff, and the greater community. We will continue to monitor the situation and communicate new information through our social media accounts and websites as more details become available.

For more information related to the EarlyON closure please contact your EarlyON provider or visit the Lambton EarlyON website: <https://earlyonlambton.ca/>

We thank you for your understanding.
