

EarlyON Update

Lambton EarlyON Child and Family Centres

To all Lambton EarlyON families:

As many areas of our community move forward with their re-opening strategies, we wanted to send an update about the plan for EarlyON Child and Family Centres in Lambton County.

Lambton EarlyON Child and Family Centres, in consultation with Lambton Public Health, will take a cautious approach to re-opening. This means we will continue to offer virtual/online programs until further notice. We will consult with Lambton Public Health to determine when it is safe to re-open in-person drop-in sessions and programs, and will send updates to our EarlyON families as they become available.

If you haven't had the opportunity to join our virtual programs, you will find the following on our Lambton EarlyON website – www.earlyonlambton.ca

- Join our live EarlyON events, see our [EarlyON Events Calendar](#)
- Videos of songs, activity ideas, etc. see our [Video Library](#)
- If you prefer to avoid screen time for your children, or you would like to some resources or activity ideas for home, check out the [Parent Resources](#) section

We look forward to seeing you again soon.
