

In late June we put out a survey, and the families in Sarnia/Lambton responded!
In order to better serve you, we made some changes based on your responses!

We heard you!!

Some of you do not use Facebook...

- *Parent Resources and a Video Library are now available on our website.
- *Newsletters/event information emailed directly to you. If you would like to be on an email list, please contact us.

You wanted to connect with other families in your neighbourhood...

- *We added weekly virtual Parent Gatherings, and Community Connections in many areas across Lambton County.

We would love to check-in with you, and provide engaging learning experiences for your children!

You wanted materials for your children to use....

- *Materials to make props for songs, finger plays etc. to use during our Community Connections and Circle Time Gathering were distributed!
(Limited circle bags available, contact us for pick up in Forest or Petrolia.)
- *Materials were provided for Friday special events like the Bike Rodeo and Fun with Bugs programs.
- *The Parent & Professional Resource Centre (PPRC) supports early childhood professionals and parents/caregivers with creating free learning materials for children. If you would like to create and pick up learning materials, click [here](#) to learn more and submit a service request.

You wanted more activity ideas for children and preferred pre-recorded videos to watch during the summer...

- *Many videos, activity posts and learning resources were created and uploaded for you to enjoy at your convenience. See Lambton EarlyON Facebook page and website.

We want to hear from you again!

Look for another survey coming soon that will help to guide our future programs.
